## CLASS CANVAS CREATIONS

The 26 canvases were created by the children at Hindley School using melted crayons. Grades K-4th decorated a word from the Hindley School Code and the 5th grade an H, for Hindley. These beautiful works of art will add life and personality to any room in your home!

At our school, we are:

kind and accepting,  
honest and responsible,  
safe and peaceful,  
respectful to all.

A very special thank you goes out to the Darien Library Small Office / Home Office staff that assisted with the printing of the art work stencils. These creations would not have come to fruition without the donation of 26 art canvases from Jerry's Artarama in Norwalk.
