

Decorate a Pumpkin for the Hindley Book Fair!

As an **OPTIONAL** activity, we are inviting students to submit a small-to-medium-sized pumpkin decorated as a character from one of their favorite books! These character pumpkins will help decorate the library during the book fair!

This Hindley tradition is a fun family activity where you can collaborate to show off your creative skills! The pumpkins can be decorated with paint, markers, yarn, pipe cleaners or anything your imagination can dream up. But, please do not send carved pumpkins. Photos of some pumpkins submitted in years past are below to get your creative juices flowing!

Please drop your pumpkins in a paper bag or container in the school entry area on **Monday, October 13th**. Submissions should include an index card (and a photocopy of the book cover, if possible) with the following information:

Pumpkin Submitted by: _____

Book/Character: _____

We like this character because: _____
